Education

KVG college of engineering

BE in Electronics and communication
(VTU) | 2023 – 2027
Currently in 7th Semester

Neharu Memorial PU College Arantodu

(10+2)|2021-2023
76.6%

MGM High school Kodiyalbail Sullia

2021 | 94.4%

Hobbies

- Robotics
- Travelling
- Electronics DIY Projects
- Ethical Hacking Practice
- Researching and exploring

languages

- English
- Kannada
- Tulu
- Hindi(Comprehension Level)
- Malayalam

Technical skills

- Programming Languages:
HTML,CSS,C, C++, Verilog
- Embedded & Core Skills:
Embedded Systems, Microcontrollers, IoT, Robotics
- Simulation & Design Tools:
MATLAB, Simulink, Multisim, Xilinx ISE
- Software & Utilities:
MS Office, Excel, Solid Edge, Canva

Soft skills

- Leadership
- Communication
- Teamwork
- Problem Solving and Creative Thinking
- Presentation and Organizational Skills

Courses & Training

- C & C++ Programming Course – Infosys Springboard |
- Technical & Soft Skills Training – JCI | 2025 | 2026

Projects

- Automated Pond Cleaning Robot
- Patrol Rover
- Human Following Robot
- Home Automation with website
- Smart agriculture robot with web dashboard

Achievements and Certifications

- Participated in Product Launch Competition (VTU Regional level)
